Class Room

To the Seniors of 1940

Every year on a night like this;  
 other hearts were happy, too  
 that senior class had reached their goal,  
 as we are about to do,  
 yes their hearts were happy as ours will be,  
 but even we will wish to the fact,  
 that all our pleasures have come to an end,  
 the pleasures we cannot call back -  
 each will take his place in the world,  
 to start his life anew,  
 some will win fame and honor,  
 while others will just "pull through".  
 if we could stay together,  
 as we have always done,  
 am sure that when we reach that goal,  
 our game will then be won
